

## NEWSLETTER OF THE NORTH JERSEY WOODWORKERS ASSOCIATION

November 2016

Visitor intro: We had 40 members in attendance this month.

Announcements: Annual elections will be coming up in January. The current board is as follows:

President: Gordon Creighton  
Vice President: Jock Cameron  
Secretary: Brian Becker  
Treasurer: Kris Wigness  
Librarian: Kris Wigness  
Events Planner: Roy Benson

If you would like to run for any of the positions let the club know at December's meeting.

### Presentation:

Dave Peterson presented an ancient tool called a Sector. It can be used divide an object into equidistant parts. He brought down paper templates for members that were interested in making a set for themselves.

Here are a few links in case you missed it.

### Main Event:

The club had its annual swap meet. Several members brought down tools and materials that they no longer wanted/needed and they were set up for a silent auction. We also had books for sale that were donated to the club by Joel from Tools for Working Wood.

### Next Meeting:

Open House December 19th, 2016

Members can bring down projects, tools, jigs for a little show and tell. Friends and family are invited to come down to see our work.
